Re: Sponsorship

On behalf of the Port Noarlunga Surf Life Saving Club I would like to extend our sincere gratitude for your support in the 2011/2012 season. Without your support we were able to continue our operations as a community service.

The idea of sponsorship is a strong and well regarded practice amongst Australian companies. As part of Surf Life Saving Australia and Surf Life Saving South Australia, there is considerable commercial benefit to be gained from the association with a highly regarded and well known organisation within the Australian and Worldwide community.

This presence ensures significant exposure to the sponsor's brand and identity, rapidly increasing every year while supporting for a good cause. Sponsorship is a vital ingredient in the success and survival of the Port Noarlunga Surf Life Saving Club. Without the support of our sponsors we would not be able to provide many of the vital resources required to run our lifesaving services, surf sport carnivals, training and education programs and keep our volunteers on our beaches.

The sponsors of Surf Life Saving do far more than cover the costs of running the administration of our organisation – their main purpose is to help deliver real value to our club and the community we serve. Included in our information folder is a breakdown of the sponsorship packages available for 2012/2013 season. If the sponsorship levels and recognition benefits do not fit into your organisations criteria, please feel free to call me to discuss your requirements as I am sure that find a flexible solution that is beneficial to both parties.

Yours sincerely,

Jarrid Turner

Opportunities for Sponsors:

The Witton Centre, home of the Port Noarlunga Surf Lifesaving Club has now undertaken a major multi-million dollar reconstruction with the aid of the Federal and State Governments, Onkaparinga Council and PNSLSC funding. The Centre was re-opened in July 2011. The centre is to provide a high quality and environmentally sustainable centre-piece on the foreshore. The upgrade of facilities for the Port Noarlunga Surf Life Saving Club accommodates education, surf life saving and commercial activities.

The new club undertook some major structural changes including a larger balcony, new bar and function area, dedicated training room, shower areas and changing rooms, an updated and first class first aid and modern patrol room.

Sponsorship provides a unique opportunity for businesses wishing to support a community based service. Through direct sponsorship, your business is able to promote its goods and services to PNSLSC members and their families, hirers of the function room, general public and beach goers alike. Please refer to the Sponsor and Recognition sheet for benefits to sponsors.

You or your business may choose to support the Port Noarlunga Surf Lifesaving Club in a number of ways.

You may wish to support the club, in general (patrolling activity) or opt to support a specific area of the club; Boards and Skis, Surf Boats, Inflatable Rescue Boats, Nippers (junior development).

This can all be discussed and negotiated at time of confirmation of sponsorship.

Artists Impression of the rebuilt Witton Centre, Port Noarlunga, South Australia

The Past Season:

Adelaide's Glenelg Beach recently hosted Surf Life Saving's 2011 Australian Inflatable Rescue Boat (IRB) Championships, which was held from 29-31 July.

Port Noarlunga also won our 3rd consecutive IRB State Championship Title at this event.

The Australian IRB Championships is one of the major events on Surf Life Saving's sporting calendar attracting some of the best surf lifesavers from around the country.

In the Australian Championship, Port Noarlunga's IRB team placed an impressive 8th in Australia in 2011, ever increasing our placement from previous years.

Port Noarlunga also has a small but strong representation in local junior and senior carnivals and the 2011/12 state titles, achieving 1 silver and 1 bronze medal at Junior State Titles, 5 Gold, 3 Silver and 1 Bronze medal at Senior State Titles, along with a huge haul of 26 Gold, 7 Silver and 10 Bronze medals at Masters State Titles. Our Masters competitors had one of the smallest teams, but placed 6th in the state and 1st of all the Mid-Coast clubs (Port Noarlunga, Moana, Christies Beach, South Port and Aldinga).

Some of our sporting stars also travelled to Queensland and to other parts of the world to compete in major Life Saving events. One of our club champions won 2 gold medals at Australian Championships at Kurrawa, Qld in 2012.

These and other water based sporting and community events along the coast are also supported by Port Noarlunga Surf Lifesaving Club members, by providing water cover with IRB's, rescue boards and patrolling Surf Life Savers. This creates great exposure opportunities for sponsor's logos.

Future Events:

The World Surf Life Saving Championships are being hosted across three venues in South Australia on 4th – 18th November 2012 – thousands of competitors will descend upon SA to compete in various surf sports events including Surf Ski, Board and events, surf boat rowing and IRB Rescue racing.

"The World Championships is the largest international lifesaving event in the world," says Minister Wright. More than 4,000 competitors and officials plus thousands of spectators are expected to travel to Adelaide from across Australia and overseas to take part in the 2012 World Championships. Rescue 2012 will be a great sporting spectacle that will showcase South Australia's magnificent beaches as well as providing an \$18 million boost to the State's economy. In addition to enjoying our coastlines and using the new Aquatic Centre, many of the thousands of competitors will take the opportunity to tour our State's great regions and experience the very best of South Australia.

| Recognition | Gold | Silver | Bronze |
|--|--------------------------|--------------------------|------------|
| | \$5,000.00 | \$2,500.00 | \$1,000.00 |
